

# National Public Safety Partnership Virtual Academy

## Virtual Academy Open Enrollment Now Underway!

The U.S. Department of Justice, Bureau of Justice Assistance, via the National Training and Technical Assistance Center (NTTAC), invites active law enforcement professionals to enroll in and access the National Public Safety Partnership (PSP) Virtual Academy.

The Virtual Academy delivers valuable learning opportunities in a convenient, contemporary platform. There are five Virtual Academy courses available, with more in production. Understanding the importance of making the most of training time, Virtual Academy courses include accreditation materials for students to obtain continuing education credits via their state or local regulatory entities.

For more information about the Virtual Academy, please visit [www.nationalpublicsafetypartnership.org](http://www.nationalpublicsafetypartnership.org). We look forward to learning with you!
